***Our next Board Meeting is
July 1, 2011 at Polly's Pies
In Orange at 10:00 AM***

WOW!!.. It's July already!!!

We could learn a lot from crayons. Some are sharp, some are pretty and some are dull. Some have weird names and all are different colors, but they all live in the same box. In many ways, we are the same except that I don't think any of us are dull. We also are only in the same box at our chapter meetings and paint-ins. You probably are wondering where I am going with this.

There are several big things we need to remember when we are all in the same box at our meetings. Since we are not alone but rather a lot of others are with us, we need to remember that for any group to be successful we need to always work together. Most jobs are easier when another person or persons help us.

If a member asks for help or is having trouble or needs help with a job, don't be afraid to say "I can help with that." There are always a few things that Board members may need some help with, besides other fellow members. Things will run smoother and I think we will all enjoy our times together much more.

I hope you all enjoyed the class with Bobbi T. On top of being a great teacher, she is a kick to be around. I am sorry I had to miss the class.

Kay Bertino or one of her committee members will be calling all of you concerning elections for next year. We will have several vacancies and I hope many of you will step forward. You will have lots of help and won't feel like you are alone on an island. New people as well as old people are always needed. If there is something you don't like that is happening in the chapter join the board and get it taken care of.

Have a wonderful July with fireworks and many outdoor feasts. See you at our July meeting.

DAY PROGRAMS UPDATE FOR JULY

Be sure to check here monthly for details that pertain to each class.

Wow, what a treat to have Bobbie T. come up the OC to paint with us. If you were there, you know. If you missed it, maybe you'll get a class with her soon. Don't you love the stories behind the painting? Did everyone enjoy the finger painting? If you see Bobbie in your travels, be sure to thank her for coming to our chapter; better yet, send her a thank you; her email is btfrogs@aol.com Bobbie will be in Las Vegas and most importantly, the 40th Anniversary of SDP Conference next year.

Take a look at this month's project with Chris. If your highlighting and shading skills aren't perfect; this class is for you. She will show you how to improve those skills 100%.

We'll be in classroom #5 for this Business meeting and class.

This month is our SWAPMEET. Come early to swap/sell/buy stuff. Let me know if you need a table to set up on. It's also SHOW & TELL time. Please share with us, what you've been working on lately.

- If needed: handle lunch ordering (take payment, place order, and receive order).
- Help with Teacher needs and circulate the sample throughout the day
- Assist in closing the room at the end of the day (fold tablecloths, take out trash)
- Be a positive example for OCTDP
- Remember you are not a student, but an assistant to the Programs Chair and Teacher
